lucyTM Gateway
let us connect you
A Cynergy Data Solution

Let Us Connect You to the most reliable payment gateway around

A payment gateway allows you to securely process payments via a high-speed Internet connection. LUCY Gateway™ offers an affordable, easy way for your business to process all types of payments:

- o credit, debit and gift cards
- o government benefit cards
- o electronic checks
- o recurring payments for your regular customers
- o business-to-business and business-to-government purchasing cards

Introducing the Virtual Terminal, Your Point of Entry to LUCY

Enter payment transactions and easily manage your LUCY account with the Virtual Terminal. As a Web-based application, the Virtual Terminal is easy to navigate and works 24 hours a day, 7 days a week. You control who accesses your account information, and you can create multiple users with varying levels of administrative access.

access your account at our secured site
