

IS YOUR BUSINESS SEASONAL?

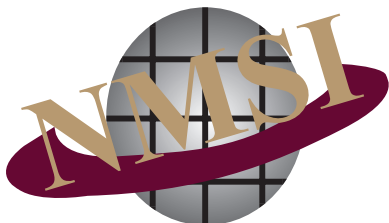

When you put your business on hold for the off-season, we do the same for your merchant account.

NO FEES DURING YOUR DOWN TIME!

That's right, in your off-season you pay nothing, nada, zip, zilch! NO FEES!

With Northern Merchant Services' Seasonal Business Program, we can put your merchant account on hold during your off-season and have you back up and running when you are ready. Unlike most merchant accounts where you pay fees for a full 12 months even though you are shut down part of the time, Northern Merchant Services has the ability to put your merchant account on a temporary hold during your off-season. At the beginning of your closed season, and when you are ready to reopen, simply fax us a statement and we will take care of the rest! Why spend money when you aren't bringing any in?
